**BOARD OF TRUSTEES REPORT**  
**FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2020**

---

The Board of Trustees have pleasure in submitting their report together with the audited financial statements of the Foundation for the year ended 31 December 2020.

**PRINCIPAL ACTIVITIES**

The objective of the Foundation is to mitigate the impact of rising cost of living and reducing food waste among the people. There was no significant change in the nature of these activities during the financial year.

**FINANCIAL RESULTS**

	<b><u>2020</u></b> <b>RM</b>
Deficit for the financial year	(65,858)
Prior year adjustment	1,331
Mobilisation funds brought forward	<u>6,242,998</u>
Mobilisation funds carried forward	<u><u>6,178,471</u></u>

In the opinion of the trustees, the results of the operations of the Foundation during the financial year have not been substantially affected by any item, transaction or event of a material and unusual nature.

**BOARD OF TRUSTEES**

The Board of Trustees of the Foundation in the office at any time during the financial year and since the end of the financial year up to the date are:

Datuk Seri Saifuddin Nasution Bin Ismail  
Y.A.M Tengku Zatashah Binti Sultan Idris Shah  
Dr. Mohd Salmi Bin Mohd Sohod  
Dr. Rozhan Bin Othman  
Chee Yew Guan

**OTHER STATUTORY INFORMATION**

Before the statement of comprehensive income and the statement of financial position of the Foundation were made out, the trustees took reasonable steps:

- (a) to ascertain that proper action had been taken in relation to the writing-off of bad debts and the making of allowance for doubtful debts, and have satisfied themselves that all known bad debts had been written-off and that adequate allowance had been made for doubtful debts; and
- (b) to ensure that any current assets which were unlikely to be realised at their book values in the ordinary course of business have been written down to their estimated realisable values.

As of the date of this report, the trustees are not aware of any circumstances:

- (a) which would render the amount written off for bad debts or the amount of the allowance for doubtful debts inadequate to any substantial extent in the financial statements of the Foundation; or
- (b) which would render the values attributed to current assets in the financial statements of the Foundation misleading; or
- (c) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Foundation misleading or inappropriate; or
- (d) not otherwise dealt with in this report or financial statements which would render any amount stated in the financial statements of the Foundation misleading.

As of the date of this report, there does not exist:

- (a) any charge on the assets of the Foundation which has arisen since the end of the year and secures the liability of any other person; or
- (b) any contingent liability of the Foundation which has arisen since the end of the year.

No contingent or other liability has become enforceable, or is likely to become enforceable within the period of twelve months after the end of the year which, in the opinion of the trustees, will or may substantially affect the ability of the Foundation to meet its obligations as and when they fall due.

In the opinion of the trustees, no item, transaction or event of a material and unusual nature has arisen in the interval between the end of the year and the date of this report which is likely to affect substantially the results of the operations of the Foundation for the succeeding financial year.

### **INDEPENDENT AUDITORS' REPORT** **TO THE MEMBERS OF YAYASAN FOOD BANK MALAYSIA**

#### **Report on the Audit of the Financial Statements**

##### **Opinion**

We have audited the financial statements of YAYASAN FOOD BANK MALAYSIA, which comprise the statement of financial position as at 31 December 2020, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 10 to 26.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Foundation as at 31 December 2020, and of its financial performance and its cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the Trustees (Incorporation) Act, 1952 in Malaysia.

##### **Basis for Opinion**

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Independence and Other Ethical Responsibilities**

We are independent of the Foundation in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and we have fulfilled our other ethical responsibilities in accordance with the By-Laws.

##### **Information Other than the Financial Statements and Auditors' Report Thereon**

The Board of Trustees of the Foundation are responsible for the other information. The other information comprises Report but does not include the financial statements of the Foundation and our auditors' report thereon.

Our opinion on the financial statements of the Foundation does not cover the Board of Trustees Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Foundation, our responsibility is to read the Board of Trustees Report and, in doing so, consider whether the Board of Trustees Report is materially inconsistent with the financial statements of the Foundation or our knowledge obtained in the audit or otherwise appears to be materially misstated.

**INDEPENDENT AUDITORS' REPORT**  
**TO THE MEMBERS OF YAYASAN FOOD BANK MALAYSIA**  
**( CONTINUED )**

If, based on the work we have performed, we conclude that there is a material misstatement of the Board of Trustees Report, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Trustees for the Financial Statements**

The trustees of the Foundation are responsible for the preparation of financial statements of the Foundation that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the Trustees (Incorporation) Act, 1952 in Malaysia. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

In preparing the financial statements of the Foundation, the Board of Trustees are responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board of trustees either intend to liquidate the Foundation or to cease operations, or have no realistic alternative but to do so.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements of the Foundation as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- (a) identify and assess the risks of material misstatement of the financial statements of the Foundation, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- (c) evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

**INDEPENDENT AUDITORS' REPORT**  
**TO THE MEMBERS OF YAYASAN FOOD BANK MALAYSIA**  
**( CONTINUED )**

- (d) conclude on the appropriateness of the use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Foundation or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- (e) evaluate the overall presentation, structure and content of the financial statements of the Foundation, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Other Matters**

This report is made solely to the members of the Foundation, as a body, in accordance with Trustees (Incorporation) Act, 1952 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.
